Can't wait to eat a pawpaw?

We now have Frozen Pawpaw Purée available year-around!
All the skin, seeds and fibers have been removed to ensure
uniform quality. Made from the fresh fruit in our orchards!

1 pint (16oz) = \$10 + S&H

1 quart (32oz) = \$18 + S&H

Orders will be filled as they are received.

Due to the increase in demand for Pawpaws, we apologize for the limited numbers of grafted Pawpaws available.

We are currently in the process of growing and grafting trees for future seasons.

While all efforts are made to keep this list accurate, we apologize for human and mother nature's errors.
